International Conference on Future Driven Computing Technologies (ICFDCT 2026)

Opportunities to Publish in

- ❖ Reputed Scopus Indexed Journals
(Best quality papers will be published with additional publication charges)
- ❖ Proceedings of the Conference with ISBN number

Organized by

Department of Information Technology
NICHE, Kumaracoil, Thuckalay,
Kanyakumari District, Tamilnadu, India. 629 180

Conference Dates

25th & 26th March 2026

About the Institution :

Noorul Islam Centre for Higher Education, located at Kumaracoil in Kanyakumari District, Tamil Nadu, India, is a Deemed-to-be University recognized by the University Grants Commission (UGC). Established with a vision to impart quality education and foster innovation, NICHE offers a wide range of undergraduate, postgraduate, and doctoral programmes across Engineering, Science, Management, and Humanities disciplines. The institution is committed to academic excellence, cutting-edge research, and industry collaboration, preparing students to meet global challenges with competence and integrity. Its serene campus, modern infrastructure, and dedicated faculty make NICHE a hub for holistic education and transformative learning.

NICHE stands as a prominent institution of higher learning in the southern most region of India, blending academic rigor with a strong commitment to societal advancement. Accredited with high standards of quality and recognized for its outcome-based educational framework, NICHE consistently strives to nurture competent professionals equipped with contemporary skills and ethical values. The institution is supported by state-of-the-art laboratories, advanced research centres, modern classrooms, digital learning environments, and well-developed infrastructure that encourage collaborative learning and innovation.

Strategically located near the foothills of the Western Ghats, the campus offers an eco-friendly, serene, and intellectually stimulating ambience, conducive to both academic pursuit and personal development. NICHE maintains robust partnerships with national and international universities, research organizations, and industries, enabling meaningful academic exchanges, internships, and joint research programs. With a strong emphasis on entrepreneurship, skill development, and global employability, the institution provides students with opportunities to engage in real-world problem solving, participate in innovation-driven projects, and contribute to community development initiatives. Its consistent record of placements, professional training programs, and alumni achievements further highlights its role as a centre of excellence in the Kanyakumari district.

Objectives of the Conference :

To provide a premier platform for researchers, academicians, industry experts, and practitioners to present and discuss recent advancements in future-driven computing technologies.

To promote interdisciplinary research by bridging diverse domains such as Artificial Intelligence, Cybersecurity, Data Science, IoT, Robotics, Cloud Computing, and Digital Transformation.

To facilitate the exchange of innovative ideas, emerging methodologies, experimental findings, and practical applications that address global technological challenges.

About the Conference :

The International Conference on Future Driven Computing Technologies (ICFDCT 2026) provides a distinguished forum for academicians, researchers, industry professionals, and practitioners to disseminate significant scientific contributions and discuss the evolving landscape of advanced computing systems. The conference aims to foster an environment that promotes rigorous research, interdisciplinary collaboration, and the exchange of contemporary technological insights.

ICFDCT 2026 places emphasis on emerging domains such as Artificial Intelligence, Advanced Computing Architectures, Cybersecurity, Data Analytics, Cloud and Edge Computing, Internet of Things, Blockchain Technologies, Robotics, and Digital Transformation. The conference seeks to highlight the theoretical foundations, practical implementations, and societal impacts of next-generation computing technologies.

The organizing committee cordially invites original research articles, technical papers, review studies, and case-based investigations that present novel methodologies, experimental findings, or innovative applications in the field of computing. Submitted manuscripts will undergo a structured peer-review process, and accepted papers will be presented during the conference. ICFDCT 2026 aspires to serve as a catalyst for advancing scholarly dialogue and fostering global collaborations that contribute to the future direction of computing technologies.

About the Department :

The Department of Information Technology at Noorul Islam Centre for Higher Education (NICHE) was established in the year 1998 with the objective of imparting high-quality technical education and nurturing professionals capable of addressing real-world technological challenges. Since its inception, the department has evolved into a vibrant academic hub, integrating innovation, research, and industry-driven learning to meet the demands of the rapidly advancing IT sector.

Courses Offered:

- B.Tech., IT with Specialization in Cyber Security and Forensics
- M.E. Cyber Security
- B.Sc. Cyber Forensics
- Ph.D. in Information Technology (Full-time/Part-time)

These programmes are meticulously designed to align with global industry standards, ensuring that graduates are equipped with both foundational knowledge and advanced technological competencies. With a focus on software development, cybersecurity, cloud computing, data analytics, network engineering, and intelligent systems, the curriculum blends rigorous theoretical concepts with extensive practical exposure. The department houses state-of-the-art laboratories, modern computing facilities, licensed software platforms, and research centres that support hands-on learning and innovative project work.

Who can participate

- ❖ Academicians
- ❖ Professionals
- ❖ Research Scholars and Students
- ❖ Entrepreneurs
- ❖ Industry / Business Executives

Call for Research Papers

- ❖ Authors are invited to submit their original and unpublished manuscripts based on empirical research, experiences, reviews, promising ideas that demonstrate research theme of the International Conference.
- ❖ High quality papers will be published in any of these journals with additional charges.

SCIE Indexed Journals

- 1) Advances in Computing and Engineering
- 2) International Journal of Information and Communication Technology Research
- 3) International Journal of Computing and Related Technologies
- 4) Journal of Informatics and Web Engineering

SCOPUS Indexed Journals

- 1) International Journal of Computing and Digital Systems
- 2) Journal of Information and Communication Technology

Topics

All disciplines in Engineering, Technology, Humanities and all other related fields.

Instructions :

- Registration fee includes conference kit, refreshment, lunch etc.
- Acceptance / Rejection will be intimated through email as early as possible
- Other state / foreign authors who are unable to participate in person can opt for online presentation

Best Paper Award

The Best Paper Award will be given to the participants of ICFDCT 2026 based on the quality and innovation of the research work.

Manuscript Submission

- The authors are expected to submit their original research papers which is not submitted elsewhere.
- Papers should be submitted to icfdct26@niuniv.com
- The authors are requested to use the paper template in the link provided : <http://niuniv.com/icfdct26.docx>

Registration Fees :

Category	Fees
UG/PG Students	Rs.1500
Research Scholars	Rs.2000
Academicians	Rs.2500
Industry Persons	Rs.3000
Visitors / Extra Persons	Rs.500

For Fee Payment

Account Name : Department of Information Technology
Account Number : 50100607665599
HDFC Bank Ltd.,
Thuckalay Branch
IFSC Number : HDFC0001878
MICR Number : 629240003

For any queries contact

Dr. R.Mathusoothana S. Kumar

Professor and Head, Department of Information Technology, NICHE, Kumaracoil, Kanyakumari District.

Phone: 9344016058 | Email: icfdct26@niuniv.com

Chief Patrons

Janab Dr. A.P. Majeed Khan
Chancellor, NICHE

Shri M.S. Faizal Khan
Pro-Chancellor, NICHE

Patrons

Dr. Tessy Thomas
Vice Chancellor, NICHE

Dr. K.A. Janardhanan
Pro-Vice Chancellor(Admin), NICHE

Dr. A. Shajin Nargunam
Pro-Vice Chancellor(Academic), NICHE

Dr. P. Thirumalvalavan
Registrar, NICHE

Dr. M.K. Jeyakumar
Controller of Examinations, NICHE

Conference Chair

Dr. R. Mathusoothana S. Kumar
Professor and Head / IT, NICHE

Publication Chair

Dr. K. Siva Sankar
Associate Professor / IT, NICHE

Technical Chair

Dr. M.B. Jayalekshmi
Assistant Professor / IT, NICHE

Dr. T.V. Sindia
Assistant Professor / IT, NICHE

Committee Members

Prof. A.R. Subramonia Iyer
Professor / IT, NICHE

Dr. S. Maria Celestin Vigila
Associate Professor / IT, NICHE

Dr. T. Brindha
Associate Professor / IT, NICHE

Dr. Y. Jeyasheela
Associate Professor / IT, NICHE

Ms. V. Sujithra
Assistant Professor / IT, NICHE

Ms. R. Chithra
Assistant Professor / IT, NICHE

Ms. C. Sajitha
Lab Assistant / IT, NICHE

Mr. M. Akbar
Lab Assistant / IT, NICHE

Important Dates

Last Date of Paper Submission : 20/01/2026

Acceptance Notification : 02/02/2026

Final Paper Submission : 16/02/2026

Authors Registration Date : 16/02/2026

Conference Dates : 25 & 26/03/2026
